### ***Director's Choice – Celebrating 30 Years***

*Director's Choice* is a celebration of the talented artists who the gallery represents some who have been with me since the very beginning others for twenty or more years.

Thirty years ago, I never could have imagined that what began as a small idea would become a life's work. I am proud to say that the gallery supports many artists in a multitude of ways allowing them to continue their important contributions and work. The rewards, the complexities and the sheer tenacity that being in this business for three decades requires are many; countless studio visits, writing hundreds of press releases and letters of recommendation, juggling finances in a fluctuating marketplace, managing personalities of artists, collectors and art advisors (OY!), marketing, sales, parties, dinners, long installation days, endless loading and unloading my SUV, gallons of white paint only eclipsed by the gallons of white wine and so much more. It has been a journey worth celebrating.

The *Director's Choice* exhibition is installed in both beautiful buildings in Kent, CT and includes almost every artist in the program. Artists who have forthcoming exhibitions or were recently featured in exhibitions are not included in *Director's Choice* but are valued members of the team and we thank them. It has been my honor to exhibit their work and support their careers.

A special thanks goes out to the many employees and interns who have contributed to the gallery. My sincere and deep gratitude goes to Associate Director Lani Holloway who celebrated her 10-year anniversary at the gallery in 2024.
